Sunkissed elegance

Summer collection '24

Introducing our Summer collection: A celebration of sunkissed elegance. Step into the world of endless summer with our new Summer collection. Inspired by the tropical beauty of sunny destinations like Ibiza, Morocco and Bali, our designs embody the carefree spirit and vacation vibes of these exotic paradises.

Warm, inviting colors dominate our collection, with coral, terra and pink, together with the more cool notes of sage green, beige and crispy whites. In prints the vibrant hues of palm trees and blossoming flowers taking center stage.

We have added some real summer must haves to the collection, like pieces crafted from breathable, natural fabrics like linen, ensuring you stay cool and comfortable during those scorching summer adventures.

Flowy silhouettes that capture the essence of a gentle and rich printed two-pieces. Each piece tells a story of exotic getaways and romantic sunsets.

Whether you're strolling along the beach or sipping cocktails under a swaying palm tree, our Summer collection brings a touch of paradise to your wardrobe. Embrace the magic of summer and let your style reflect the vibrancy of endless sunny days!

Get inspired by the many summer looks and style the looks in your own unique way. Find inspiration in this lookbook and online.
